

## ***NEED MORE SPEED?***

*Then offload 2½ TONS of unneeded weight.  
WATER!*

No worries, that's how much water the  
Cape Horn Xtreme can produce in just 24 hours.

It will be the toughest 64 pound member of your crew.

Should you find yourself with a problem ...  
We have GLOBAL, factory-trained technicians in  
nearly every port you choose to travel.

*Now that's Xtreme.*

- *Reliable*
- *Light Weight*
- *Efficient*

**SPECTRA**  
WATERMACHINES™

*The World's Fastest Watermakers.*
