

*"It is a harsh world out here when it gets rough
and these boats start doing in excess of 30 knots"
(Paul Cayard Skipper, Pirates of the Caribbean)*

The harshest conditions demand the toughest equipment
that's why the 2005-06 Volvo Ocean racers chose
Spectra, the world's most efficient watermaker!

From 568 to 3700 litres per day,
Spectra have the range to suit your needs.
